Folks

On today's call we discussed if we need to prepare a briefing doc for senior leaders and if so what the format/content should be.

Attached, is the briefing doc that we used a number of times in the recent past for this project. The attached version is dated 12-16-19 and was used to support a 12-18-19 senior leaders briefing organized by Chris Hladick. I think this is the most recent version of this doc.

It would be fairly easy to update this doc. Also, once the draft FEIS letter has been compiled, Appendix A could be revised to reflect outstanding comments on the FEIS by issue category. Appendix C can be dropped, not sure about Appendix B.

Thoughts?

-Palmer
